Subject: Texas NELAP accreditation renewal with drops

Dear Ms. Stankevicius:

I am writing to congratulate you and the staff of *Sterling Labs*. Based on your application and primary NELAP accreditations from the state of Illinois, pursuant to authorization from the Executive Director of the Texas Commission on Environmental Quality, the Program Manager of the Quality Assurance Section has issued your laboratory secondary NELAP accreditation according to the attached Fields of Accreditation with the parameter withdrawals discussed on October 30 and 31, 2023.

I am enclosing the accreditation certificate and Fields of Accreditation listing. Please review the enclosures for accuracy and completeness. Your laboratory's accreditation is valid until the expiration date on the certificate and scope, contingent on continued compliance with the requirements of the state of Texas as well as those of your primary accreditation body.

Please contact me at frank.jamison@tceq.texas.gov if I can provide any additional information or assistance.

Sincerely,
